SERVICE AGREEMENT

The following agreement is made between (**Mothering The Mother LTD**) ("**The Company**") and _____ ("**Client**") for new mother support services to be rendered beginning _____, hours per day.

The mission of **Mothering the Mother LTD** is to assist mothers of newborns (and other children in the home) after birth by providing physical, emotional, and educational support to the new family, thereby easing the transition from hospital to home. To this end **The Company** agrees to provide **Client** with support services including, but not necessarily limited to:

- instructing and providing support in breast and bottle feeding, bathing and changing diapers;
- fielding visitors, answering the phone, and watching other children;
- helping the mother recognize problems that should be referred to appropriate resources;
- watching the newborn while the mother rests;
- accompanying the mother and newborn on errands;
- fixing light meals;
- helping the mother organize the baby's supplies;
- listening to the mother and offering emotional support.

The Company, its owners, officers and employees reserve the right to refuse to perform tasks which they find to be outside the scope of its mission or not previously discussed. Individual employees may agree to perform tasks which the company does not expressly prohibit.

Prohibited tasks include, but are not limited to heavy cleaning, routine laundry and cleaning, climbing on ladders, chairs or other furniture, driving the mother or her children on errands, staying in the home alone with other children for long periods while the mother runs errands, and dispensing medication to any member of the household.

Client agrees that in exchange for the aforementioned services, **Client** will pay **The Company** at the rate of \$ _____ per hour. A **\$50** deposit will be made at or before the time the services are rendered, unless prior arrangements have been made. Should the agent for **The Company** stay longer than the agreed upon time during any visit at the express or implied request of **Client**, **Client** agrees to pay **The Company** for that additional time at the price per hour quoted above. Overnight stay is a minimum of **6 hours**.

Client is asked to pay a non-refundable deposit of **\$50** at the time of the initial interview or shortly thereafter to secure **The Company's** services. Should **Client** utilize **The Company's** services, **\$50** will be subtracted from the price quoted above.
